

Registration Fees

| Registered | before Aug. 15 th | after Aug. 15 th |
|---------------------|------------------------------|-----------------------------|
| EEUG Member | 420€ | 480€ |
| Non-Member | 450€ | 480€ |
| Accompanying Person | 150€ | 150€ |
| One day course | 150€ | 180€ |

Registration fee includes:

- Conference proceedings,
- Refreshments,
- 2 lunches,
- 4 coffee breaks,
- Welcome reception
- Conference dinner on Monday.
- The fee for accompanying persons includes welcome reception, the Monday lunch & the conference dinner and the Tuesday lunch.

Hotel Accommodation

Participants are advised to reserve hotel accommodation at the following hotels via their respective online registration web page.

Hotel Novotel Grenoble Centre

<https://all.accor.com/hotel/1624/index.en.shtml>

The deadline for hotel booking at preferential rate is August 15th, 2023.

Cancellations

Written cancellations must be submitted by e-mail to LOC. If you enroll and cannot attend, a 20% service charge of the registration fee will be retained for cancellations received before Aug. 15th, 2023. For cancellation between Aug. 15th, 2023 and Sept. 5th, 2023 a service charge of 80% will be retained. No refunds will be possible after Sept. 10th, 2023. Hotel cancellation: Hotel reservations cancelled after August 15th will be charged with one night.

Insurance

The local Organizing Committee does not accept any liability or responsibility for injury, illness, or death of persons or for the loss of, or damage to property or for any financial loss to any persons attending the conference.

Grenoble, an international & scientific metropole

Ranked in the Top 5 most innovative cities in the world & surrounded by mountains, France's self-styled 'Capital of the Alps' unites city commodities, innovation, and breathtaking nature. Isère is the first department of France in number of patent applications per inhabitant and it's mainly due to the city of Grenoble.

Every road leading out of Grenoble brushes a different regional park. The Isère River slices through the city, girding the clifftop Bastille and a ravishing set of riverside museums. On the opposite bank, Grenoble fizzles: a historic quarter lined with cafes and shops, world-class galleries and an efficient tram system zipping between neighborhoods both glamorous and gritty.

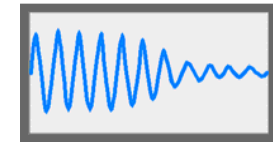

Though it's surrounded by land preserved for nature, Grenoble is an engine of industry. Since then, high-tech industries have carved out niches in Grenoble, fueled by the university's reputation for math and computer sciences as well as many research centers.

The spherical cable cars called "the bubbles" connect the city to the top of the hill of La Bastille, which owes its name to the 18th century fortress confirmed on its slopes.

Announcement & Call for Papers

EEUG Meeting 2023 European EMTP-ATP Conference

11th - 13th September 2023

Grenoble, France

Organized by
Schneider Electric,
France

&

European EMTP-ATP
Users Group Association

Announcement

The European EMTP-ATP Users Group and Schneider Electric kindly invites you to attend the EEUG Meeting and Conference 2023.

The EEUG e.V. promotes scientific and technical research in the field of electromagnetic transients in electrical power systems and coordinates distribution of ATP, the non-commercial Electromagnetic Transients Program (EMTP) in Europe.

Venue

11th-13th September 2023

The two-day conference from, which will be followed by a one-day EEUG course will be held at:

Hotel Novotel Grenoble Centre
7 Place Robert Schuman, 38000 Grenoble,
+33 (0)4 76 70 84 84

For more details refer to:
<https://all.accor.com/hotel/1624/index.en.shtml>

Preliminary Program

Mon Sep.11: 09.30 am –5.30 pm Techn. Sessions
Tue Sep. 12: 10.00 am – 2.00 pm Techn. Sessions
Tue Sep. 12: 2.00 pm – 4.00 pm Members meeting
Wed Sep.13: **09.30 am – 5.30.pm EEUG Course***

Technical sessions are open to all licensed ATP users. Preliminary registration will also be accepted for interested persons who are not yet ATP users.

Go to <https://atp-empt.org/index.php> for information on how to apply for the ATP license and/or become an EEUG member.

Call for Papers

Two types of contribution may be submitted for presentation at the technical sessions:

1. full conference papers (20 minutes presentation)
2. short conference papers (10 minutes presentation).

Scope

The European EMTP-ATP Conference seeks papers in all aspects of power system transient simulations using the ATP-EMTP program, including but not limited to:

- Solution methods and algorithms: verifications, comparisons.
- Development of new simulation tools.
- Development and implementation of new models:
 - Circuit breakers and electric arc.
 - HV transmission lines, cables, MV distribution systems, covered conductors.
 - Transformers, reactors, electrical machines, wind generators and drives.
- Renewable energy sources, PV systems.
- Power system studies and measurements:
 - Switching surges, inrush transients, ferroresonance
 - Lightning surges, insulation coordination
 - Harmonics and power quality
 - Very fast transients, EMC, EMP, LEMP
 - Power electronics, SVC, FACTS and control
 - Power system protection, new algorithms.
- Using ATP-EMTP in power engineering education.

Paper Submission

Prospective authors are requested to submit a brief abstract (100 word maximum) in English, before May 30th, 2023 to the conference local organizing committee. Full manuscripts should arrive no later than August 30th, 2023 in MS-Word or PDF (preferred) format by e-mail to the same e-mail addresses. It is obligatory for the paper to be presented by one of the authors at the Conference. Publication guidelines are provided at <https://atp-empt.org/showpage.php?id=6>

Note for EEUG Members

EEUG members are invited to submit in writing any important suggestions related with the EEUG Association, to the before August 30th, 2023. According to the charter these suggestions will be included in the agenda of the members' meeting.

Social Events

Delegates are cordially invited to enjoy:

- **the welcome reception** which will take place on Sunday, **September 10th**, from 6 pm at **Hotel Novotel Grenoble Centre**: 7 Place Robert Schuman, 38000 Grenoble.
- **the official dinner**, which will be held on Monday, September 11th, 2023 at the l'Escalier restaurant.
- **a visit to the Minatec** innovation campus showroom

Registration

Early registration for the meeting is strongly recommended. Please fill in the registration form found on the conference web page: <https://www.eventbrite.fr/e/574669651397> before August 15th, 2023. The registration form also includes short course sign up. Registrants will receive an e-mail for confirmation. For all correspondence regarding the EEUG you are kindly requested to use the identification code "EEUG Conference 2023". The registration desk will be open on 11th (Monday) from 8:30. to 12:00pm at the Novotel Grenoble Centre hotel.
